1. Glossary

2. Grant of Rights

(a) Owner hereby grants to ACM an exclusive, worldwide, royalty-free, perpetual, irrevocable, transferable and sublicenseable license to publish, reproduce and distribute all or any part of the Work in any and all forms of media, now or hereafter known, including in the above publication and in the ACM Digital Library, and to authorize third parties to do the same.

(b) In connection with software and "Artistic Images and "Auxiliary Materials, Owner grants ACM non-exclusive permission to publish, reproduce and distribute in any and all forms of media, now or hereafter known, including in the above publication and in the ACM Digital Library.

(c) In connection with any "Minor Revision", that is, a derivative work containing less than twenty-five percent (25%) of new substantive material, Owner hereby grants to ACM all rights in the Minor Revision that Owner grants to ACM with respect to the Work, and all terms of this Agreement shall apply to the Minor Revision.

(d) If your paper is withdrawn before it is published in the ACM Digital Library, the rights revert back to the author(s).

☒ A. Grant of Rights. I grant the rights and agree to the terms described above.

☐ B. Declaration for Government Work. I am an employee of the national government of my country/region and my Government claims rights to this work, or it is not copyrightable (Government work is classified as Public Domain in U.S. only)

Are you a contractor of your National Government? ☐ Yes ☒ No

Are any of the co-authors, employees or contractors of a National Government?

☐ Yes ☒ No

3. Reserved Rights and Permitted Uses.

(a) All rights and permissions the author has not granted to ACM in Paragraph 2 are

reserved to the Owner, including without limitation the ownership of the copyright of the Work and all other proprietary rights such as patent or trademark rights.

(b) Furthermore, notwithstanding the exclusive rights the Owner has granted to ACM in Paragraph 2(a), Owner shall have the right to do the following:

(i) Reuse any portion of the Work, without fee, in any future works written or edited by the Author, including books, lectures and presentations in any and all media.

(ii) Create a "Major Revision" which is wholly owned by the author

(iii) Post the Accepted Version of the Work on (1) the Author's home page, (2) the Owner's institutional repository, (3) any repository legally mandated by an agency funding the research on which the Work is based, and (4) any non-commercial repository or aggregation that does not duplicate ACM tables of contents, i.e., whose patterns of links do not substantially duplicate an ACM-copyrighted volume or issue. Non-commercial repositories are here understood as repositories owned by non-profit organizations that do not charge a fee for accessing deposited articles and that do not sell advertising or otherwise profit from serving articles.

(iv) Post an "Author-Izer" link enabling free downloads of the Version of Record in the ACM Digital Library on (1) the Author's home page or (2) the Owner's institutional repository;

(v) Prior to commencement of the ACM peer review process, post the version of the Work as submitted to ACM ("Submitted Version" or any earlier versions) to non-peer reviewed servers;

(vi) Make free distributions of the final published Version of Record internally to the Owner's employees, if applicable;

(vii) Make free distributions of the published Version of Record for Classroom and Personal Use;

(viii) Bundle the Work in any of Owner's software distributions; and

(ix) Use any Auxiliary Material independent from the Work.

When preparing your paper for submission using the ACM TeX templates, the rights and permissions information and the bibliographic strip must appear on the lower left hand portion of the first page.

The new [ACM Consolidated TeX template Version 1.3 and above](#) automatically creates and positions these text blocks for you based on the code snippet which is system-generated based on your rights management choice and this particular conference. When creating your document, please make sure that you are only using [TAPS accepted packages](#). (If you would like to use a package not on the list, please send suggestions to acmtexsupport@aptaracorp.com RE: TAPS LaTeX Package evaluation.)

NOTE: For authors using the ACM Microsoft Word Master Article Template and Publication Workflow, The ACM Publishing System (TAPS) will add the rights statement to your papers for you. Please check with your conference contact for information regarding submitting your source file(s) for processing.

Please put the following LaTeX commands in the preamble of your document - i.e., before `\begin{document}`:

```

NOTE: For authors using the ACM Microsoft Word Master Article Template and Publication Workflow, The ACM Publishing System (TAPS) will add the rights statement to your papers for you. Please check with your conference contact for information regarding submitting your source file(s) for processing.

If you are using the ACM Interim Microsoft Word template, or still using or older versions of the ACM SIGCHI template, you must copy and paste the following text block into your document as per the instructions provided with the templates you are using:

Permission to make digital or hard copies of all or part of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage and that copies bear this notice and the full citation on the first page. Copyrights for components of this work owned by others than the author(s) must be honored. Abstracting with credit is permitted. To copy otherwise, or republish, to post on servers or to redistribute to lists, requires prior specific permission and/or a fee. Request permissions from Permissions@acm.org.

4. ACM Citation and Digital Object Identifier.

- (a) In connection with any use by the Owner of the Definitive Version, Owner shall include the ACM citation and ACM Digital Object Identifier (DOI).
- (b) In connection with any use by the Owner of the Submitted Version (if accepted) or the Accepted Version or a Minor Revision, Owner shall use best efforts to display the ACM citation, along with a statement substantially similar to the following:

"© [Owner] [Year]. This is the author's version of the work. It is posted here for your personal use. Not for redistribution. The definitive version was published in {Source Publication}, <https://doi.org/10.1145/{number}>."

5. Livestreaming and Distribution

You are giving a presentation at the annual conference. This section of the rights form gives you the opportunity to grant or deny ACM the ability to make this presentation more widely seen, through (a) livestreaming of the presentation during the conference and/or (b) distributing the presentation after the conference in the ACM Digital Library, the "Conference Presentations" USB, and media outlets such as Vimeo and YouTube. It also provides you the opportunity to grant or deny our use of the presentation in promotional and marketing efforts after the conference.

Not all conference presentations are livestreamed; you will be notified in advance of the possibility of your presentation being livestreamed.

The permissions granted and/or denied here apply to all presentations of this material at the conference, including (but not limited to) the primary presentation and any program-specific "fast forward" presentations.

ACM's policy on the use of third-party material applies to your presentation as well as the documentation of your work; if you are using others' material in your presentation, including audio, you must identify that material on the ACM rights form and in the presentation where it is used, and secure permission to use the material where necessary.

Livestreaming.

I grant permission to ACM to livestream my presentation during the conference (a "livestream" is a synchronous distribution of the presentation to the public, separate from the presentation distributed to conference registrants).

- ☒ Yes
☐ No

Post-Conference Distribution.

I grant permission to ACM to distribute the recording of my presentation after the conference as listed above.

- ☒ Yes
☐ No

6. Auxiliary Material

Do you have any Auxiliary Materials? ☐ Yes ☒ No

7. Third Party Materials

In the event that any materials used in my presentation or Auxiliary Materials contain the work of third-party individuals or organizations (including copyrighted music or movie excerpts or anything not owned by me), I understand that it is my responsibility to secure any necessary permissions and/or licenses for print and/or digital publication, and cite or attach them below.

- ☒ We/I have not used third-party material.
☐ We/I have used third-party materials and have necessary permissions.

8. Artistic Images

If your paper includes images that were created for any purpose other than this paper and to which you or your employer claim copyright, you must complete Part IV and be sure to include a notice of copyright with each such image in the paper.

- ☒ We/I do not have any artistic images.
☐ We/I have any artistic images.

9. Representations, Warranties and Covenants

The undersigned hereby represents, warrants and covenants as follows:

- (a) Owner is the sole owner or authorized agent of Owner(s) of the Work;
- (b) The undersigned is authorized to enter into this Agreement and grant the rights included in this license to ACM;
- (c) The Work is original and does not infringe the rights of any third party; all permissions for use of third-party materials consistent in scope and duration with the rights granted to ACM have been obtained, copies of such permissions have been provided to ACM, and the Work as submitted to ACM clearly and accurately indicates the credit to the proprietors of any such third-party materials (including any applicable copyright notice), or will be revised to indicate such credit;
- (d) The Work has not been published except for informal postings on non-peer reviewed servers, and Owner covenants to use best efforts to place ACM DOI pointers on any such prior postings;
- (e) The Auxiliary Materials, if any, contain no malicious code, virus, trojan horse or other software routines or hardware components designed to permit unauthorized access or to disable, erase or otherwise harm any computer systems or software; and

(f) The Artistic Images, if any, are clearly and accurately noted as such (including any applicable copyright notice) in the Submitted Version.

☒ I agree to the Representations, Warranties and Covenants.

10. Enforcement.

At ACM's expense, ACM shall have the right (but not the obligation) to defend and enforce the rights granted to ACM hereunder, including in connection with any instances of plagiarism brought to the attention of ACM. Owner shall notify ACM in writing as promptly as practicable upon becoming aware that any third party is infringing upon the rights granted to ACM, and shall reasonably cooperate with ACM in its defense or enforcement.

11. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the state of New York applicable to contracts entered into and to be fully performed therein.
